### **Integration efforts**

By virtue of Article 1/2, § 3 of the Law of 15 December 1980, you must provide proof of the efforts to integrate into society when applying for renewal of your residence permit . The Immigration Office will pay particular attention to:

- taking an integration course or vocational training;
- exercising an activity as an employee or submitting a certificate of enrolment in an educational institution organised, recognised or subsidised by the government;
- knowledge of the language of the place of residence and active participation in social life.

Full information can be found on the website of the Immigration Office.
